MEMORANDUM FOR THE RECORD

SUBJECT: NSDD 138 (Terrorism) Briefing Request

Arnold Punaro, Minority Staff Director, Senate Armed Services Committee, today requested that an Agency official brief him and the Minority Counsel Jeffrey H. Smith on NSDD 138 (Terrorism) next week at a time convenient to the briefer (although the briefing site was requested for the Hill -- probably 232A Russell, Punaro's SASC office.) Punaro was informed that this topic was so new that I was not certain we were the appropriate agency to brief them but would inquire as to the appropriate course of action and get back to him.

I note that DD/OLL has recently taken action vis-a-vis the SSCI in this regard and will refer the matter to him for decision.
